

Daily Confession for students in K-12 grades

Father God, I thank you for another school year. Your Word says in Psalms 18:15 that an intelligent heart acquires knowledge and the ear of the wise seeks knowledge. Therefore, I declare that this school year I will grow in intelligence, and I will grow in wisdom.

Father God, I thank you for the Holy Spirit who is my helper. I declare that as I am taught, the Holy Spirit will bring clarity to things that I do not understand and during test time the Holy Spirit will bring the things that I learned to my remembrance, in Jesus' name.

Father God, your Word says to obey those who are in authority over me. Therefore, I declare that I am an obedient scholar. I ask you God to empower my teachers. Help them to teach me and my classmates in a way that is effective and fun.

Father God, I thank you that you will help me reach academic excellence on my report card each 9 weeks. I declare that I will be a leader and not a follower on my school campus. I declare that I will make wise decisions at school. I declare that I am the head and not the tail in Jesus' name.

Father God, I ask for your divine protection over me while I am at school. I declare that Angels of God are surrounding me and my school. I rebuke any plot of the enemy to send someone to my school to cause harm or destruction in Jesus' name. Amen.
