

Prayer and Confession for Parents

Father in the Name of Jesus I lift my children up to you in prayer. I thank for the opportunity that you have given me to watch, protect and to raise them up in the fear and admonition of the Lord. Lord your Word says in Jeremiah 1:5 that you knew my child(ren) before they entered their mother's womb and that you predestined them and called them according to your purpose. Therefore, I thank you Lord that you have equipped me as a parent to raise my children according to your Word and to train them up in the way that they should go so that when they get old, they will not depart from how I have raised them.

Father God, I thank you for your omniscient wisdom for you know all things regarding my child(ren). I thank you that you will reveal to me all that I need to know to care for them nutritionally, emotionally, and spiritually. I rely on your grace in difficult times of parenting for you God are a present help in my time of need.

Lord, I thank you for divine protection over my child(ren). I declare angels are surrounding them wherever they go, and no hurt, harm or danger will come near them, In Jesus name. Lord, I ask you to help me to be a godly example before my child(ren) and help me to transfer my faith to them, which is instructed in your Word, in Jesus Name.
